TERMS AND GENERAL INFORMATION

CONDITIONS OF SALE

All bidders must have established credit with us or send a deposit equal to 25% of their bids. We reserve the right to refuse bids or to demand payment before delivering lots unless entered according to these terms. The right to withdraw or group lots is also reserved.

DOUBLE CHECK YOUR BIDS. Be sure you bid on the lot you intend to buy. We will make all reasonable adjustments in case of error by the cataloguers but cannot be held responsible for your errors. All lots are accurately described as to condition and guaranteed genuine unless otherwise indicated. LIST YOUR BIDS **PER LOT.**

ADJUSTMENTS will be made within 10 days after the sale only. **NO COINS MAY BE RETURNED WITHOUT THE WRITTEN PERMISSION OF THE CATALOGUERS.**

PAYMENT: Unlike approval consignments, lots purchased for you at auction are bought against your direct order and you are expected to pay for them promptly. All accounts are payable immediately upon receipt of invoice or material. Payment may be made in any manner most convenient to you; check, money order or (by registered mail only) cash. Stamps with full gum and in denominations of 3¢ will be accepted in amounts totaling $1.00 or less. **All lots remain our property until final settlement.** A receipted bill will be sent only on request and receipt of a self-addressed stamped envelope.

NO COMMISSION IS CHARGED FOR EXECUTING YOUR BIDS. Instead of the 5% usually charged, there will be a nominal flat rate of 50¢ (maximum) to cover packing, handling, postage and insurance. This flat fee of 50¢ covers one lot or 100 lots and will not place the bidder wishing to acquire the more desirable pieces at a disadvantage.

NO UNLIMITED BIDS WILL BE ACCEPTED AT THIS SALE. Bid liberally on any lots you are especially anxious to acquire. In executing your bids, we act as your agent and will buy for you as much under your bid as the next highest bid will permit. All bids are entered in strict rotation according to their postmark; duplicate successful bids on the same lot will go to the bidder first submitting his list. If, for any reason whatsoever, any lot sold cannot be delivered, the sale will be cancelled.

All mail bids are strictly confidential and no information concerning them will be given.

THE PLACING OF A BID SHALL CONSTITUTE THE BIDDER'S ACCEPTANCE OF THE FOREGOING TERMS OF SALE.

INQUIRIES will be cheerfully answered concerning any particular lots that interest you. Please include a self-addressed stamped envelope for a prompt reply.

PLEASE MAIL YOUR BIDS EARLY to allow enough time to enter them before the sale and avoid possible disappointments. At our last sale, a number of bids were received too late to be entered.

THE MAILS MAY BE A LITTLE SLOW. Please allow a period of two to three weeks before notifying us of non-delivery.

Lot No. **Description**

LOT No. 1

Complete set of choice uncirculated Lincoln cents mounted in four small National Coin Album pages. A remarkable set in that each coin is strictly uncirculated and we know from past experience that a collection of this type is very difficult to assemble. Sets of uncirculated Lincoln cents usually have many off-colored, stained or otherwise defective coins whereas the set here offered is one of the nicest we have ever seen. Entirely complete including the four varieties of 1909 cents, all dates and mint marks including the 1943 zinc-coated steel pennies. In our coin price list No. 22 (first 1946 edition) the set lists at.....**$210.00 and worth it.**
